

AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

Name: Shalala

Surname: Aliyeva

Father's name: Elkhan

Date of birth: 03.12.1966

Work phone: 0222569706

Mob: 0557909204

E-mail: ma1999@inbox.ru

Faculty: Agrotechnology

Department: Food Engineering and Expertise

EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

1990 graduated from the Azerbaijan Institute of Technology

2012 defended dissertation on "Development of advanced technology of port wine type dark wines"

2019 received the title of associate professor of food engineering and expertise

LABOR ACTIVITY

1990 worked as a laboratory assistant at the Department of Viticulture, Enology and Agricultural Technology of ACTI, in 1999 as an assistant at the same department, in 2006 as a senior lecturer, in 2015 as an assistant professor, in 2019 as an associate professor. Lectures on Wine Chemistry, Biotechnology, Methods of Physical Chemical Analysis in Winemaking, Technological Equipment in Winemaking

At the master's level conducts lectures and laboratory classes on the history and methodology of the specialty, technology of safe food products, food certification.

The author of about 40 scientific works, 23 scientific articles, 1 textbook, 1 invention patent, 14 programs

RESEARCH AREA

Improving the quality of wines produced in Azerbaijan

PARTICIPATION AT INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

1. International Scientific-Practical Conference "Application of innovative technologies in the agrarian education system and forms of international cooperation" Ganja, 2010
2. Republican scientific-practical conference on "Actual problems of food, textile and light industry", Ganja 2011
3. International Scientific-Practical Conference "Modern Agrarian Science: Actual Problems of the Century and Prospects for Development in the Context of Globalization" Ganja, 2014

ARTICLES AND SCIENTIFIC WORKS

1. Aliyeva S., Technology of preparation of port wine with application of experimental heat exchanger Azerbaijan agrarian science, Baku 2007, 1-3
2. Aliyeva S. Calculation of functional parameters of experimental heat exchanger for port wine technology of ANAS Ganja Regional News Bulletin of the Scientific Center, Ganja 2007, № 30,
3. Aliyeva S. Research of methods of improving the quality of Portway wines Azerbaijan agrarian science, Baku 2007, № 8-9
4. Aliyeva S. Calculation of economic efficiency of experimental heat exchanger News Bulletin of Ganja Regional Scientific Center of ANAS, Ganja 2008, 434
5. Aliyeva S. Research of tea and comb extracts in wine materials Azerbaijan agrarian science, Baku 2010, № 1-2
6. S.E. Alieva Experimental heat exchanger for the preparation of port wine Vinodelia and wine-growing, 2012, № 1,
7. Aliyeva Sh.E. Development of efficient technology of port production Scientific works of ASAU, Ganja 2017, № 4
8. Aliyeva S.E. Factors determining the quality of natural wines produced in Azerbaijan Scientific works of ASAU, Ganja 2018, № 2
